To Whom It May Concern:

I am pleased to offer this letter of recommendation for the services of Jim Basiliere. Jim did an outstanding job in shaping the Club Course at Lakewood Ranch while employed by Highland Golf. His attention to detail and the professional manner in which he took our drawings and direction created some of the finest gradework I have seen. The bunker work was exceptional and several architects from our office are using photos of his work to demonstrate to other shapers the design intent and finished product we would like to see.

Respectfully submitted,
